

SABINE STATE BANK AND TRUST COMPANY - 2ND CHANCE OVERDRAFT PRIVILEGE DISCLOSURE

September 22, 2016

We believe it is important for you to use your checking account responsibly and to never intentionally overdraw your account. However, we realize that financial shortfalls happen from time to time and we have several options available for you. As a benefit to our customers, we offer these useful services to cover you in the event that you overdraw your checking account.

Overdraft Payment options:

Variety of Credit options - A variety of credit options are available to cover your financial needs. These services require you to complete an application and approval is based on your credit worthiness. The amount of your credit limit may vary, depending on your approved credit amount(s). Please contact the Sabine State Bank branch nearest to you for further information.

Overdraft Privilege - 2nd Chance Overdraft Privilege is a service we add to your checking account to cover inadvertent overdrafts to a set limit, subject to the eligibility criteria as explained below. While we reserve the right to unilaterally refuse to pay any item that is presented, with Overdraft Privilege we will generally pay your overdraft items up to \$700.00. For example, we typically do not pay overdrafts if your account is not in good standing, or you are not making regular deposits, or you have too many overdrafts. When we pay overdraft items for you, you will be charged our normal overdraft fee, currently **\$35.00**, for each item that is presented. Both the amount of the overdraft items and all applicable fees, including but not limited to the **\$35.00** Overdraft Fee and any other NSF fees (items returned unpaid) which may occur as a result of unposted items, are included in this limit.

Sabine State Bank has eliminated an overdraft fee charged for items of less than \$5.00 that overdraw an account with 2nd Chance Overdraft Privilege (OD), and will limit OD fees to a maximum of \$210.00 (or a total of six (6) overdraft fees per account, per day) covered under our 2nd Chance Overdraft Privilege program.

Eligibility - No application is required for the 2nd Chance Overdraft Privilege; eligibility is based on you having an active checking account for at least one (1) month (one (1) statement cycle), in which you are managing in a responsible manner and you average a monthly deposit of at least \$400.00 and that none of the following ineligibility items apply. You may only have access to one (1) SSB 2nd Chance Overdraft Privilege Program.

Ineligibility- You will be ineligible for the Overdraft Privilege if:

- Account is not brought to a positive balance within 30 days of becoming overdrawn
- Account type is not eligible (example; Student Break account)

- You fail to meet the eligibility criteria
